

After almost 30 years of wear, we need to replace the cedar roof on the historic Burges-Lippincott house (1808-1824). The threat of demolition of this structure is what led to our initial, grassroots efforts to organize & form HFI in 1953 to help preserve the heritage of the village.

Be a part of preserving our shared history!

Fulfilling our mission is something we can't do alone. The historic buildings and objects entrusted to our care are essential. It is urgent that we perform some much-needed maintenance at this time and our highest priority is to replace the 30-year old cedar roof on the Burges-Lippincott House. If a leak should develop, it would threaten the structural integrity of this historic building on the National Register of Historic Places and the priceless artifacts it contains.

Yes, I/we would like to *help 'Raise the Roof' of the Burges-Lippincott house at Historic Fallsington, Inc.*
to help preserve that key historic building at the following level:

☐ House level (\$1000+) ☐ Apartment level (\$500) ☐ Kitchen level (\$250) ☐ Office level (\$100)
-OR- Sponsor a Shingle: ☐ @ \$25/each =
