

Reproduction Mochaware STEIN by SJ Pottery

(Salesville, AR)

\$60 each (22 oz.)

**Pre-orders for the large stein will be taken with payment due in-advance.*

You will receive a full refund if we do not meet the minimum order.

Mochaware pottery was used in everyday places from taverns to private homes beginning around 1800. It was inexpensive to buy and available in lots of colorful designs on everything from mugs to large serving dishes.

**Inspired by a large stein (5 3/4" tall) on display in the Stagecoach Tavern*
